with two grouse finds & a woodcock find in 30 min.

Winner, 2007 North American Woodcock Futurity

(grouse and woodcock find in 30 min.)

Placement Winner, 2008 National Grouse Derby

(one hour) with 2 grouse finds. Early reports on his

puppies sound good, from Japan to the Deep South.

Boston was again hunted daily here in Northern NH,

with a brood of wild birds shot over his points.

This youngster is a gifted bird finder and we are very excited about his future.

2008 was another award winning year for the Long Gone Setters. 5x Champion Long Gone Madison winning both the William Harden Foster (top cover dog, any breed) and the Seminator Award (top English setter cover dog). Maddy's mama 8x Ch. Long Gone Agnes won both awards, now her daughter has also, this is the first time this has happened, an award winning dam producing an award winning female also. "Thank you" to Nestlé Purina for sponsoring the William Harden Foster Award. Boston's placement in the National Grouse Derby (one hour) was a real thrill. Ch. Long Gone George continues to produce grouse champions with Doodle Ridge Jigs his latest title winner (puppies available by Ch. Long Gone George). Long Gone Murphy's pups look very promising with one we kept looking very good, Long Gone Buckhead (Murphy ex Ch. Long Gone Daisy). Ch. Long Gone George, Ch. Long Gone Nixon, Long Gone Boston and Long Gone Murphy are all available at stud. They will be travelled all over the country this winter for winter training, so please call for details and locations of our males. Quality, championship bred futurity nominated puppies will be available this winter also. Kindly call for details.

A HEARTFELT THANK YOU TO DAVE HUGHES AND RYAN FRAME!
